

Dear Parents,

The township and schools require Fast Break Basketball to have someone (we call them Site Safety Volunteers/Game Coordinators) at each of our game sites.

The primary responsibilities of the site safety supervisor/game coordinator are:

- Bringing game equipment to the facility.
- Being at the facility for approximately 2 hours (your child will probably be participating during one of these hours).
- Making sure that the facility is used in a safe manner (nobody is doing cartwheels on the side of the court).
- Coordinating game set-up (asking a coach from each team to supply a volunteer to help at the scorers table).

We are in the need of site safety supervisors/game coordinators for the 4<sup>th</sup> thru 12<sup>th</sup> Grade Co-ed, and 4<sup>th</sup> thru 11th Grade Girls.

**We cannot operate the program unless somebody steps up.  
Please help!**

If you would like more information, please contact me at:  
732-613-8297 or via e-mail [lsnewman1@comcast.net](mailto:lsnewman1@comcast.net).

Thanks,  
Lane Newman
