---

---

---

---

Briefly describe your previous Coaching Philosophy?

---

---

---

---

At tryouts you have 24 players in attendance and 8 players rate very high then there is a steady drop-off down to the last player. What would be your rational to the number of players selected?

---

---

---

---

A player's parents approach you after a game requesting feedback on why their child only played 3 minutes of the game. The player is the 10<sup>th</sup> person on a 10 person team and missed both practices that week. How would you respond?

---

---

---

---

A players on your team receives a technical foul and he/she make comments/gestures or moves to the bench and kicks a chair or throws his/her jersey to the floor. What might your immediate and long term responses be to this situation?

---

---

---

---

When were you Rutgers certified? \_\_\_\_\_
